

INFLATABLE BOOM POLE PROTECTOR MODEL: OR-43

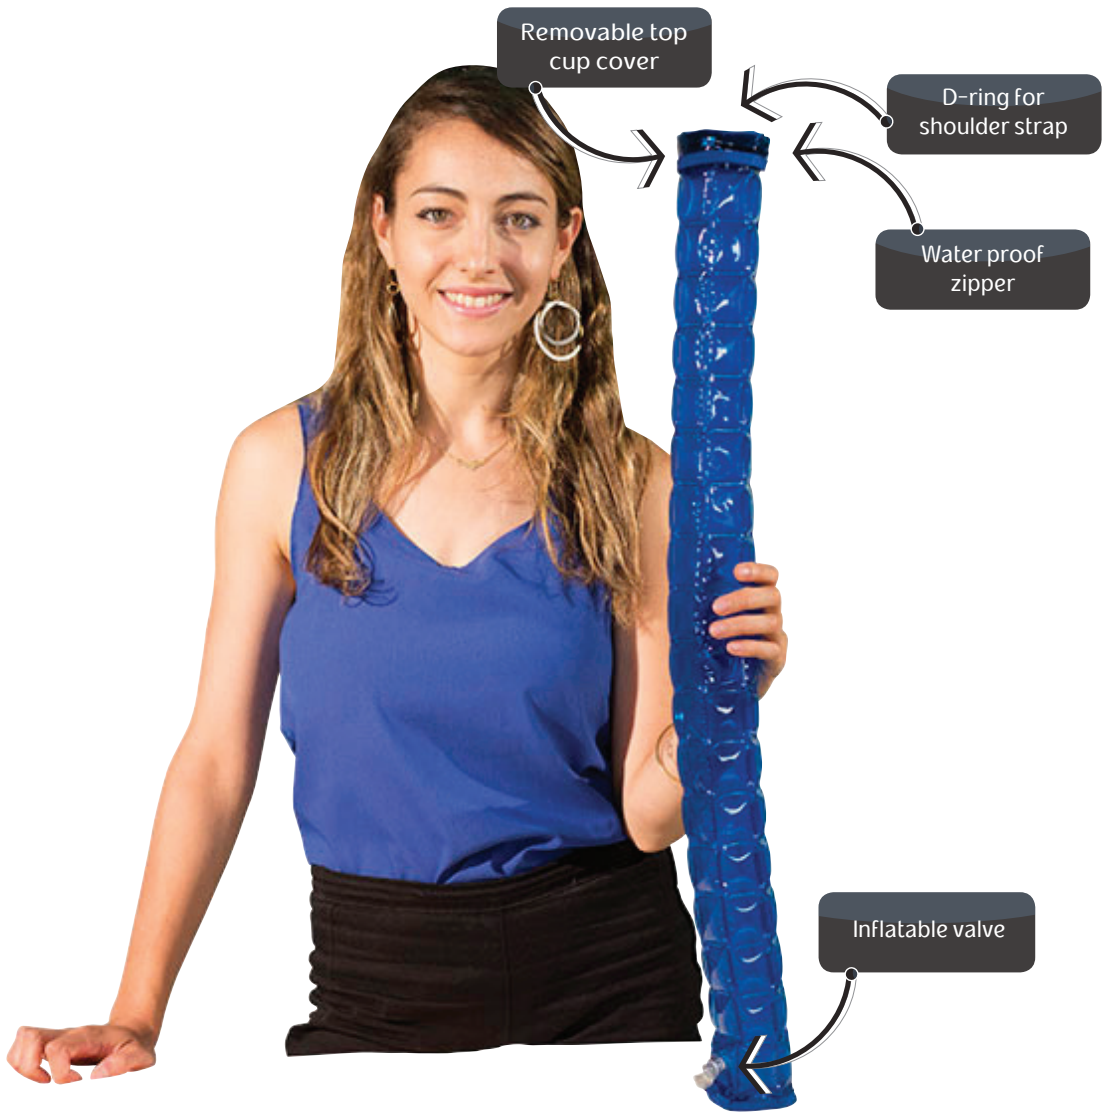

Orca OR-43 Inflatable Boom Pole protector is the ideal way to protect your Boom during transportation.

The Inflatable Protector is built from high density PVC that can easily resist the elements.

The OR-43 can be extended, adding extra length to fit any Boom Pole length.

The OR-43 has inflation valve, it is waterproof with waterproof zippers, super lightweight and can float in water.

The top portion includes a removable cup cover that can be used when the unit is extended.
