ORCA SOUND BAG FOR ZOOM F4|8N

MODEL : OR-272

The Orca OR-272 is a basic, lightweight bag, ideal for recording jobs that don't require a lot of wireless system or accessories. The bag has front and back pockets to hold a small battery or a few wireless receivers, and comes with a shoulder strap. The OR-272 has a sturdy internal frame structure for maximum protection for your equipment while still accessible from all sides.

Main features:

- Lightweight.
- Easy access from all sides.
- Front and back pockets to store small accessories or battery or wireless receivers.
- Low profile bag, ideal to work in tight locations.
- Great protection for the gear inside the bag.
