OR- 732 SOFT TRIPOD / LIGHT STAND BAG (UP TO 96CM / 37.8")

MODEL : OR-732

The ORCA Bags OR- 732, Soft Tripod / Light Stand Bag, was designed to carry medium size ENG or EFP tripods or light stands (Approx. 3-6 units, depending on size).

The unique hexagon shape, with full-length zipper opening enables easy storage and operation of the tripod or stands while working. The OR-732 is made from high-quality materials and strong YKK zippers. The bottom of the bag has an extra protection layer to reduce amortization. Inside the bag are 2 Velcro straps and a tripod head mark to secure the tripod in place. External pocket for tripod camera plates, carrying shoulder strap and two balanced-position outside carrying handles.
