OR-30 AUDIO MIXER BAG

The Orca OR-30 Audio Mixer Bag has an easily detachable front panel, which can be used as a stand-alone pouch for accessory storage. The OR-30 offers optional covers in three different colors: black, blue, and gray.* The OR-30 is recommended for the Zaxcom Max; Sound Devices 633, 833, and 888; and similarly sized mixers.

*OSP 1030-20/21/22 sold separately
