OR-531Y/OR-531G Any Day Laptop-Backpack (2 color yellow and gray)

The new ORCA DSLR "Super Lite" Backpack was designed to carry a laptop and many personal items inside. The bag has a special side pocket to store up to a 17" laptop. The fabric is super lightweight, made from 600D polyester, and is PVC-free. The laptop compartment is padded for increased protection while the front compartment is designed to hold laptop accessories, a cell phone, and other essentials. The front top zipper pocket can hold sunglasses or a cell phone. Lastly the mesh side pockets are ideal for storing cables or a water bottle.

Main Features:

- 1 Internal padded laptop compartment.
- External top pocket for small items.
- External pouch for flat objects.
- Lite weight backpack system.
- 2 external mesh pockets.
- Back sleeve for attaching to trolley.
